Since our quarterly reports are all encompassing I do not attach highlights or news releases again. I believe this statistical report speaks for itself. I would however like to point out the following increases or decreases between 2012 and 2013:

Calls for service **increased** by 1,312 or 8%.

Total arrests **increased** by 218 or 10%.

Vehicle and Traffic arrests **increased** by 365 or 25%.

Village ordinance arrests decreased by 97 or 25%.

Parking tickets decreased by 261 or 17%.

DWI arrested **increased** by 12 or 30%.

Most importantly 1 murder and 1 attempted murder occurred in the Village of Brockport. Most troubling was that the attempted murder and the murder itself, occurred at separate times and locations and were completely different incidents.

The both cases resulted in arrested. The attempted murder suspect has been incarcerated and the murder arrest is pending a trial or plea.

Please don't hesitate to contact me with any questions or concerns.
